BEYOND THE LEAN OFFICE: A NOVEL ON PROGRESSING FROM LEAN TOOLS TO OPERATIONAL EXCELLENCE (PAPERBACK)

Taylor & Francis Inc, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. While more and more companies are aggressively pursuing Operational Excellence by employing Six Sigma, Lean, and other continuous improvement methods, the concept has yet to be defined in a way that can be easily taught and applied, especially in industries other than manufacturing. This book fills that need. Beyond the Lean Office uses a compelling novel format to illustrate what it takes to create and sustain...

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.
